Copper Canyon Fire and Medical District has re-opened our burn season.

Our burn season will be active again effective immediately and will be open on a day to day basis depending on weather, wind, and air quality conditions until May 31, 2021. Burn permit holders will need to have a valid permit which can be obtained by phone through our Administration office at 928-567-9401 and then can be activated through the Cottonwood Dispatch Center (649-1397) prior to burning to ensure that the weather and wind conditions are proper and safe for the day.

Thank You,

Ken Krebbs, Fire Marshal
